WHY CHOOSE APOLIA MEDICAL INSTITUTE

- **Affordable Tuition:** Tuition fees are generally lower compared to private medical institutions in India, making it a financially viable option for many Indian students.
- **No Donation or Capitation Fees:** Unlike some private medical colleges, Armenian medical universities generally do not require donation or capitation fees for MBBS...
- **English Medium Instruction:** All medical universities in Armenia provide quality education in English, removing language barriers for Indian students.
- **Global Exposure:** Studying MBBS in Armenia provides an opportunity to experience a different culture and interact with international students from various countries.
- **Advanced Technology:** Medical universities are equipped with the latest technology and equipment, allowing students to engage with up-to-date medical research.
- **NEET Qualification:** Admission is based on NEET ranking, ensuring a merit-based selection process for Indian students seeking MBBS programs abroad for 2026 admissions.
- **Cultural Intermix:** MBBS in Armenia allows students to enjoy a cultural intermix and gain international exposure, broadening their perspectives.

CAMPUS & FACILITIES

- Modern classrooms with audio-visual aids to enhance learning for all students.
- Well-equipped laboratories for practical training in subjects like anatomy and physiology.
- A digital library providing access to a vast collection of e-books and journals.
- Simulation labs for hands-on training in clinical procedures and emergency scenarios.
- A spacious auditorium for seminars, conferences, and cultural events.
- Dedicated research labs to promote innovation and scientific discovery among students.
- Comfortable hostel accommodations for male and female students separately.

ELIGIBILITY

- **NEET score:** Must qualify in NEET-UG with a valid score for the 2026 academic year.
- **Age:** Applicant must be 17 years or older as of December 31, 2026.
- **Academics:** Completion of 10+2 or equivalent with Physics, Chemistry, and Biology as core subjects.

- Minimum marks: A minimum aggregate of 50% marks in Physics, Chemistry, and Biology in 10+2.
- English proficiency: Good understanding and fluency in English are generally required.
- Nationality: Must be an Indian citizen or hold valid Indian residency status.

HOW TO APPLY

Intake: September.

1. Step 1: NEET Qualification: Ensure you qualify for the NEET-UG exam, as it is mandatory for MBBS admission in Armenia for Indian students.
2. Step 2: Application Submission: Apply to Apolia Medical Institute with all required documents, including academic transcripts and NEET score card.
3. Step 3: Eligibility Check: The university will verify your documents and NEET score to confirm your eligibility for the MBBS program.
4. Step 4: Offer Letter: If eligible, you will receive an offer letter from the university outlining the terms and conditions of admission.
5. Step 5: Tuition Fee Payment: Pay the initial tuition fee as specified in the offer letter to secure your seat at the university.
6. Step 6: Visa Application: Begin the visa application process at the Armenian embassy or consulate in India.
