## ABOUT THE UNIVERSITY

Central Luzon State University: A Premier Institution for Medical Education Established in 1907, Central Luzon State University (CLSU) in Muñoz, Nueva Ecija, Philippines, is a distinguished public university known for its academic excellence and research-driven approach. Originally founded as the Central Luzon Agricultural School (CLAS), it began as a vocational farm school focused on advancing agricultural practices. Over more than a century, CLSU has evolved into a comprehensive university, offering diverse programs while retaining its legacy of innovation in agriculture, science, and technology. Today, it serves as the lead agency of the Science City of Muñoz and the Central Luzon Agriculture, Aquatic and Resources Research and Development...
