WHO Listed

ABOUT THE UNIVERSITY

University Overview: China Medical University (CMU) is a prominent institution for international medical education, particularly for Indian students seeking MBBS abroad in 2026. Established with a focus on advancing medical research and education, CMU has grown into a hub for global students, offering a blend of modern infrastructure, experienced faculty, and globally recognized programs. The university is part of China's broader appeal as a destination for affordable, high-quality medical education, with over 8,000 Indian students currently enrolled in MBBS programs across Chinese medical universities. Academic Reputation and Programs CMU offers a 6-year MBBS program, which includes 5 years of theoretical and practical...
