WHY CHOOSE DAVID TVILDIANI MEDICAL UNIVERSITY

- **Globally Recognized Degree:** DTMU's MBBS degree is recognized by WHO and NMC, ensuring global acceptance for further studies or practice after 2026.
- **Affordable Tuition Fees:** The annual tuition fee for the MBBS program is \$6,000 (approximately INR 4,98,000), making it a cost-effective option.
- **No Entrance Exam:** DTMU does not require an entrance exam, simplifying the admission process for eligible Indian students.
- **English Medium of Instruction:** The entire MBBS program is taught in English, eliminating language barriers for Indian students.
- **Established University:** Founded in 1989, DTMU has over 30 years of experience in providing quality medical education.
- **NMC Compliant:** The university follows NMC guidelines, ensuring that the MBBS program meets the standards required for practicing in India after clearing FMGE.
- **Scholarship Opportunities:** DTMU offers various scholarships, including international student grants, research grants, and alumni-funded scholarships.

CAMPUS & FACILITIES

- Furnished hostel accommodations are available for students ensuring comfortable living.
- Classrooms designed to facilitate interactive learning and discussions.
- Practical training facilities to provide hands-on experience in medical procedures.
- Indian food options available in the campus canteen catering to Indian students' needs.
- The university provides opportunities for medical research projects.
- Free coaching is offered for the USMLE screening test, aiding in post-medical preparation.
- The university provides financial assistance to students.

ELIGIBILITY

- **NEET score:** Must have a qualifying NEET UG score for Indian students.

- Academics: Completion of 10+2 with 50% to 60% aggregate in Physics, Chemistry, and Biology.
- Age: Must be 17+ years as of December 31, 2026.
- English Proficiency: Must be proficient in English; IELTS/TOEFL not mandatory.
