## ABOUT THE UNIVERSITY

Emilio Aguinaldo College: An Overview for Indian Medical Aspirants (2026) Emilio Aguinaldo College (EAC), located in Manila, Philippines, is a private, non-sectarian institution of higher learning that has been welcoming international students for decades. Established in 1957, the college has built a reputation for providing quality medical education and a student-friendly environment, making it a popular choice for Indian students seeking to study MBBS abroad. History and Establishment Founded in 1957 by Dr. Paulo C. Campos, the President of the University Physicians' Services Inc., Emilio Aguinaldo College has a long-standing history of providing medical education. The college formally established its medical program in 2001, with a vision to...
