ABOUT THE UNIVERSITY

Erciyes University Faculty of Medicine: A Comprehensive Overview Historical Background Erciyes University Faculty of Medicine traces its origins to the Gevher Nesibe Medical School, established in 1969 as an affiliate of Hacettepe University. The institution was relocated to Kayseri Public Hospital's external clinic in 1975 before becoming part of Kayseri University in 1978. Following the merger of the Faculty of Engineering and Faculty of Theology in 1982, the university was renamed Erciyes University, a name derived from the dormant Mount Erciyes volcano near Kayseri. Today, it operates as one of Turkey's largest public universities, offering a medical education framework. Academic Reputation and Infrastructure Erciyes University is recognized...
