## ABOUT THE UNIVERSITY

University Overview: Fayoum University Faculty of Medicine Fayoum University Faculty of Medicine is a public medical institution located in Fayoum City, Fayoum Governorate, Egypt. Established in 1996 as a branch of Cairo University, it gained full autonomy in 2005 and has since evolved into a key educational and healthcare center in Upper Egypt. The Faculty of Medicine is one of 14 faculties at Fayoum University, a government-run university officially recognized by the Ministry of Higher Education of Egypt. This recognition ensures that the medical program meets national standards and is aligned with international medical education frameworks. The university serves a large academic community, with over 25,000 enrolled students and approximately...
