NMC-Approved

ABOUT THE UNIVERSITY

History and Establishment Guangxi Medical University (GXMU), founded on November 21, 1934, is one of the 22 earliest medical colleges established in China. Originally named Guangxi Medical College, it gained recognition as a pioneer in medical education and was among the first 30 universities in China approved by the Ministry of Education to enroll MBBS students. Located in Nanning, Guangxi, the university has evolved into a hub for medical research, treatment, and education, serving as a of healthcare training in southern China. Academic Programs and Reputation GXMU offers a 6-year English-taught MBBS program, approved by the National Medical Commission (NMC) of India, making it a viable option for Indian students seeking global medical...
