ABOUT THE UNIVERSITY

Guizhou Medical University Overview Guizhou Medical University (GMU), located in Guiyang, the capital of Guizhou Province, China, is a public medical institution with a rich history dating back to its establishment in 1938 as the National Guiyang Medical College. Over the decades, it has evolved into a prominent center for medical education and research in China. The university is recognized by major global and Indian medical councils, including the National Medical Commission (NMC), World Health Organization (WHO), and FAIMER's IMED database, making it a preferred choice for Indian students seeking MBBS abroad. Academic Reputation and Achievements GMU is one of the 45 Chinese universities authorized by the Ministry of Education (MOE) to offer...
