## ABOUT THE UNIVERSITY

University Overview: Iloilo Doctors College of Medicine Iloilo Doctors College of Medicine, located in Molo, Iloilo City, Philippines, is a well-established private medical institution with a strong reputation for delivering quality medical education. Founded in June 1972 as the Iloilo Doctors' Hospital School of Nursing and Midwifery, the college began its journey as the educational arm of Iloilo Doctors' Hospital. Over the years, it expanded its academic offerings and evolved into a full-fledged medical college. The College of Medicine was formally established in 1981 in collaboration with West Visayas State College and became an independent academic foundation by 1983–84. It received official government recognition for its Doctor of Medicine...
