ABOUT THE UNIVERSITY

University Overview: International Black Sea University (IBSU), Georgia History and Establishment International Black Sea University (IBSU) was established in 1995 in Tbilisi, the capital city of Georgia. As a private institution, it has grown to become one of Georgia's most reputed universities, particularly for its medical programs. Over the past three decades, IBSU has built a reputation for offering globally recognized education, attracting students from diverse cultural and academic backgrounds. Academic Reputation and Programs IBSU is known for its Medical Doctor (MD) program, equivalent to the MBBS degree in India. The program spans six years and is structured into four academic parts, with the final year dedicated to clinical training in...

WHY CHOOSE INTERNATIONAL BLACK SEA UNIVERSITY

- Established in 1995: Benefit from nearly three decades of experience in providing quality medical education to international students, including those from India.

- **NMC Approved:** IBSU is recognized by the National Medical Commission (NMC), ensuring your degree is valid in India after clearing the FMGE.
- **English-Taught Program:** The entire MBBS program is conducted in English, eliminating language barriers and facilitating better understanding for Indian students.
- **Affordable Education:** Compared to many Western countries and even some private Indian medical colleges, IBSU offers a more affordable MBBS program.
- **Global Recognition:** IBSU is recognized by WHO and other international bodies, enhancing the global value and acceptance of your medical degree.
- **Experienced Faculty:** Learn from a mix of local and international professors dedicated to student success, providing a global perspective on medical education.
- **Multicultural Environment:** Study alongside students from diverse countries, including India, fostering cross-cultural understanding and collaboration.

CAMPUS & FACILITIES

- Modern dormitories located inside the university campus for student accommodation.
- Mess facility providing Indian food options for international students.
- Digital classrooms equipped with modern technology for effective learning.
- Simulation labs for practical medical training and skill development.
- Affiliated hospitals for clinical training and practical exposure during the MBBS program.
- A multicultural environment with students from various countries, including India.
- Career services to assist students with future planning and job placements.

ELIGIBILITY

- **NEET score:** Must qualify NEET as per NMC guidelines for the 2026 session.
- **12th standard:** Minimum 50% marks in Physics, Chemistry, and Biology.
- **Age:** 17+ years as of December 31, 2026 (general guideline).
- **Academic background:** 10th and 12th from a recognized board.
- **Language proficiency:** English language proficiency is generally required.
- **Application:** Apply online through the official IBSU website.

HOW TO APPLY

Intake: September.

1. **Step 1:** Ensure you meet the eligibility criteria, including a minimum of 50% marks in Physics, Chemistry, and Biology in your 12th standard.
