ABOUT THE UNIVERSITY

University Overview: International Medical University Kyrgyzstan International Medical University (IMU) Kyrgyzstan is one of the leading medical institutions in Central Asia, established in 2003 in Bishkek, the capital city of Kyrgyzstan. Over the past two decades, it has built a strong reputation for delivering quality medical education to international students, particularly Indian aspirants seeking an affordable yet globally recognized MBBS degree. The university is strategically located just 30–40 minutes from Manas International Airport, offering convenience for students arriving from India and other countries. With more than 900 Indian students having already graduated from International Medical University, Kyrgyzstan, the institution has...

WHY CHOOSE INTERNATIONAL MEDICAL UNIVERSITY KYRGYZSTAN

- **NMC & WHO Approved:** Ensures your degree is globally recognized, allowing you to practice in India and other countries after clearing required licensing exams.
- **Affordable Fees:** MBBS in Kyrgyzstan offers a budget-friendly option, with annual costs starting from \$3,500 to \$6,000 USD, making it accessible for Indian students.
- **English Medium:** The entire MBBS program is taught in English, removing language barriers and facilitating easier understanding of complex medical concepts.
- **No Entrance Exam:** Many universities offer direct admission based on your Class 12 marks, eliminating the stress of additional entrance exams (besides NEET).
- **Safe Environment:** Kyrgyzstan is generally considered a safe country for Indian students, with welcoming communities and supportive university environments.
- **Quality Education:** Kyrgyzstan provides a world-class medical education, ensuring a strong foundation in medical sciences and clinical skills for future doctors.
- **Practical Focus:** Early exposure to hospital settings and clinical rotations provides students with valuable real-world experience, preparing them for medical practice.

CAMPUS & FACILITIES

- Classes, hostel, Indian mess, and hospitals located on a single campus for convenience.
- Located within a 30-40 minute drive from the international airport in Kyrgyzstan.
- Modern and state-of-the-art facilities to support medical education.
- Clinical rotations at leading hospitals in Kyrgyzstan and abroad for practical experience.
- English as the language of instruction, eliminating language barriers.
- NMC-aligned curriculum to prepare students for FMGE/NEXT licensing exams.
- Early exposure to hospital settings for real-world medical practice.

ELIGIBILITY

- Age: Minimum 17 years old as of December 31, 2026.
- 12th Score (General): 50% marks in Physics, Chemistry, and Biology.
- 12th Score (Reserved): 40% marks in Physics, Chemistry, and Biology for SC/ST/OBC.
- NEET Qualification: Must qualify NEET in 2024, 2025, or 2026.
- Subjects in 12th: Physics, Chemistry, and Biology are mandatory.
- Curriculum: Follows NMC-approved MBBS curriculum.

HOW TO APPLY
