ABOUT THE UNIVERSITY

Irkutsk State Medical University Overview History and Establishment Irkutsk State Medical University (ISMU), established in 1918, is one of the oldest and most respected medical institutions in Russia. Located in Irkutsk, a city known for its proximity to Lake Baikal, the university has over a century of experience in medical education. It has trained thousands of healthcare professionals, including world-known doctors, and maintains a legacy of academic excellence. As a public university affiliated with Russia's Ministry of Science and Education, ISMU combines affordability with high-quality education, making it a preferred choice for international students, particularly from India. Academic Programs and Structure ISMU offers a 6-year MBBS...

WHY CHOOSE IRKUTSK MEDICAL COLLEGE

- Established in 1919: Irkutsk State Medical University boasts over a century of experience in medical education, ensuring a strong academic foundation.
- NMC Recognition: The university is recognized by the National Medical Commission (NMC), allowing graduates to practice in India after clearing the FMGE.
- Globally Recognized: Degrees are recognized by ECFMG, WDOMS, FAIMER, AMC, and GMC, opening doors to international career opportunities.
- English Medium: The MBBS program is taught in English, making it easier for Indian students to understand complex medical concepts.
- Affordable Tuition: Compared to private medical colleges in India, Irkutsk State Medical University offers a more budget-friendly MBBS program.
- No Donation: Unlike many private institutions, Irkutsk State Medical University does not require any donation or capitation fees.
- Practical Training: The curriculum includes a one-year internship in renowned hospitals, providing valuable hands-on experience.

CAMPUS & FACILITIES

- Classrooms: Well-equipped classrooms for theoretical learning during the first 5 years.
- Practical Training: Opportunities for practical training to gain hands-on experience.
- Hostel: Safe and comfortable hostel accommodation available for Indian students.
- Indian Food: Availability of Indian food in the canteen to cater to Indian students' needs.
- Library: Access to library resources for academic research and studies.
- Canteen: Canteen facility providing healthy and nutritious food.
- Accommodation: Affordable accommodation options available for students.

ELIGIBILITY

- NEET score: Must qualify NEET with a score at or above the 50th percentile.
- Age: Applicant must be 17 years or older as of December 31, 2026.
- Academics: Completion of 10+2 or equivalent with Physics, Chemistry, and Biology.

- Minimum Marks: Specific minimum marks in PCB subjects in 10+2 are required.
- Passport: A valid passport with a minimum validity of two years is necessary.
- Visa: Must obtain a student visa to study in Russia.
