## WHY CHOOSE JINAN UNIVERSITY

- Established in 1906, Jinan University boasts a long history and rich heritage, making it one of the oldest and most reputable universities in China for MBBS studies.
- Jinan University was the first in China to admit international students, fostering a diverse environment with the largest international student population in the country.
- The MBBS program is taught in English, eliminating language barriers and ensuring effective learning for Indian students seeking quality medical education.
- The university is recognized by WHO and MCI/NMC, ensuring that the MBBS degree is valid in India after clearing the FMGE exam, opening doors to practice in India.
- Jinan University offers a low-cost MBBS program, with tuition fees around RMB 200,000 (approximately INR 23,00,000) for the entire course, making it affordable.
- The 6-year MBBS program includes a 1-year internship, providing practical experience in hospitals affiliated with the university, enhancing clinical skills.
- The university has modern labs and well-equipped hospitals, providing international-standard medical education with the latest technology for practical knowledge.

## CAMPUS & FACILITIES

- Well-equipped student housing with basic amenities and internet access.
- Gym, volleyball court, and basketball court for student recreation.
- Canteen offering diverse food options for international students.
- Common spaces for students to meet and interact with peers.
- Modern labs equipped with the latest technology for practical training.
- Affiliated hospitals providing opportunities for practical experience and internships.
- Qualified professors, doctors, and teachers providing quality education.
