ABOUT THE UNIVERSITY

Karshi State Medical University: A Modern Hub for Medical Education in Central Asia Karshi State Medical University (KSMU), established in 2021 in Karshi, southern Uzbekistan, is a rapidly growing public medical institution under the umbrella of Karshi State University. Located in a city historically linked to the Silk Road, KSMU combines cultural richness with modern medical education infrastructure. The university was founded through a Presidential Decree to expand access to high-quality medical training in Uzbekistan and beyond. --- Academic Programs and Structure KSMU offers a 6-year MBBS (General Medicine) program taught entirely in English, alongside a Pediatrics degree. The curriculum aligns with international standards, integrating...
