WHO Listed

ABOUT THE UNIVERSITY

Historical Legacy and Institutional Profile Kazan Federal University is one of Russia's most established institutions of higher learning, founded in 1804 by Emperor Alexander I. With 222 years of academic excellence, this public federal university has evolved into a major educational hub situated in Kazan, a culturally rich city with a history spanning over 1,000 years. The university's long-standing tradition of medical education attracts thousands of international students annually, including a growing community of Indian medical aspirants seeking quality MBBS programs abroad. The institution currently enrolls more than 51,000 students across its 10+ campuses spread throughout Kazan city. Among these, over 1,500 foreign students from 90 different...
