ABOUT THE UNIVERSITY

Kharkiv National Medical University: A Legacy in Medical Education Established in 1805, Kharkiv National Medical University (KNMU) is one of the oldest and most established medical institutions in Ukraine. Originally known as Kharkiv Medical Institute and later as Kharkiv State Medical University, it has trained over 10,000 international students from countries like India, the Middle East, and Latin America. Recognized by the National Medical Commission (NMC), World Health Organization (WHO), and UNESCO, KNMU offers a globally accepted MD (Doctor of Medicine) degree, equivalent to the Indian MBBS, with a 6-year curriculum. Academic Excellence and Global Recognition KNMU's academic framework adheres to international standards, with...
