ABOUT THE UNIVERSITY

Introduction Kursk State Medical University is one of Russia's oldest and most respected medical institutions, offering Indian students a pathway to quality medical education since its establishment in 1935. Located in the historic city of Kursk, this government university has evolved over 91 years into the largest educational institution in the region, currently training over 9,000 medical candidates including more than 2,700 foreign students from across the globe. Historical Legacy and Institutional Growth Founded on 9 February 1935 by order of the Council of People's Commissars No. 89, Kursk State Medical University began its path as a medical college before transforming into a comprehensive medical university. The institution survived wartime...
