

Lomonosov Moscow State University

Moscow, Russia • Government

ABOUT THE UNIVERSITY

Introduction to Lomonosov Moscow State University The data clearly indicates that pursuing an international medical degree at Lomonosov Moscow State University in Russia can be a financially prudent decision, with an annual tuition of \$4,500 (₹373,500) for a 6-year MBBS course, significantly lower than the total program cost of Indian private medical colleges, which can range from ₹50-80 lakhs. When we compare the numbers, it becomes evident that Lomonosov Moscow State University offers a compelling alternative for students seeking a high-quality overseas medical education. Statistical analysis reveals that the financial investment required for studying medicine overseas at Lomonosov Moscow State University is substantially lower than that of...
