

Lori Medical Institute

Vanadzor, Armenia • Established 2009 • Government

NMC-Approved

ABOUT THE UNIVERSITY

University Overview Lori Medical Institute operates as a medical education institution in Armenia, specifically located in Vanadzor, catering to international students including those from India. The institute represents one of the options available to Indian medical aspirants who are exploring opportunities to study MBBS abroad, particularly when facing intense competition and limited seat availability in Indian government medical colleges for the 2026 admission cycle. **Location and Institutional Context** Situated in Vanadzor, the third-largest city in Armenia, Lori Medical Institute provides a distinct educational environment away from the capital city of Yerevan. Vanadzor maintains a student-friendly atmosphere with lower living costs compared to...
