## ABOUT THE UNIVERSITY

Lyceum Northwestern University: An Overview for Indian Medical Aspirants (2026) Lyceum Northwestern University, located in Dagupan City, Philippines, is a private medical college established in 1969 by Dr. Francisco Quimson Duque and Mrs. Florencia Tiongson Duque. The university has a reputation for excellence in instruction and research, making it a popular choice for Indian students seeking quality medical education abroad. It is considered one of the top MBBS educational institutes in the Philippines. History and Recognition Founded in 1969, Lyceum Northwestern University began its Medicine program with just 19 students, marking it as the "first medical school of the north." The university is accredited by the Ministry of Health and Education,...

## WHY CHOOSE LYCEUM NORTHWESTERN UNIVERSITY

- **Affordable Tuition:** Lyceum Northwestern University offers one of the lowest MBBS tuition fees in the Philippines, making it accessible for Indian students seeking...
- **Globally Recognized:** The university is recognized by WHO, NMC, ECFMG, and WDOMS, ensuring your MBBS degree is valid globally for practice and further studies.
- **English Medium Program:** The MD program is taught entirely in English, eliminating language barriers for Indian students and facilitating a smooth learning experience.
- **Indian Syllabus Similarity:** The syllabus is designed to be similar to the Indian MBBS curriculum, aiding in easier adaptation and preparation for the NMC screening test.
- **Early Hospital Exposure:** Students gain early clinical exposure, assisting in deliveries and providing real patient care from the 3rd year, enhancing practical skills.
- **Indian Food Availability:** Authentic and tasty Indian food is available on campus, ensuring students feel at home and maintain a comfortable lifestyle.
- **Peaceful Environment:** The university provides peaceful hostels and a supportive faculty, creating a conducive environment for focused study and personal well-being.

## CAMPUS & FACILITIES

- Modern classrooms designed for interactive learning and collaborative study.
- A peaceful library with a vast collection of medicinal books and journals.
