ABOUT THE UNIVERSITY

For Indian medical aspirants seeking quality education at regulated costs, the Medical University of Silesia represents one of Poland's most established options for 2026 admissions. Located in Katowice, this public institution combines decades of academic tradition with modern medical training standards recognized across India, Europe, and North America. Historical Foundation and Institutional Evolution The Medical University of Silesia was established on March 20, 1948, originally as Akademia Lekarska in Bytom, before relocating to Katowice and undergoing several name changes. By 1950, it became the Ludwik Waryński Silesian Medical Academy, eventually evolving into its current form as a comprehensive medical university. With over 75 years of...
