

Monash University Malaysia School of Medicine

Bandar Sunway, Malaysia • Established 1998 • Private

ABOUT THE UNIVERSITY

University Overview: Monash University Malaysia School of Medicine Monash University Malaysia, established in 1998, is a private international university located in Bandar Sunway, Selangor. It is the first foreign university campus set up in Malaysia and operates as a branch of Monash University in Australia, one of the leading research-intensive universities in the world. The Jeffrey Cheah School of Medicine and Health Sciences, part of Monash University Malaysia, offers the Bachelor of Medical Science and Doctor of Medicine (MD) program—a five-year undergraduate medical degree designed for students aiming to become globally recognized medical practitioners. The medical program at Monash University Malaysia is taught entirely in English and...
