## WHY CHOOSE MOSCOW COMMUNITY HEALTH INSTITUTE

- **NMC and WHO Recognition:** The MBBS program is recognized by the National Medical Commission (NMC) and the World Health Organization (WHO), allowing graduates to practice...
- **Globally Recognized Degree:** Earn a medical degree that is globally recognized, opening doors to practice medicine in various countries after meeting their respective...
- **Affordable Tuition Fees:** Tuition fees range from RUB 250,000 to RUB 400,000 per year, making it a cost-effective option compared to private medical colleges in India.
- **English Medium Instruction:** The MBBS program is taught in English, eliminating the language barrier for Indian students and ensuring a smooth learning experience.
- **Established Institution:** First Moscow State Medical University has over fifty years of history, offering a rapidly growing and reputable medical program.
- **International Connections:** The university has international connections, providing opportunities for training in foreign institutions and broadening students' global...
- **Research Opportunities:** With over 100 research labs and 30 research institutes, students have ample opportunities to participate in advanced research projects.

## CAMPUS & FACILITIES

- Modern laboratories for advanced medical research and practical training.
- Comfortable student hostels providing a safe and conducive living environment.
- Digital library with access to a vast collection of medical journals and resources.
- Sports complex with facilities for various sports and recreational activities.
- Cafeterias offering a variety of cuisines, including Indian food options.
- 24/7 security and surveillance to ensure student safety on campus.
- Dedicated study areas and reading rooms for focused learning.

## ELIGIBILITY

- **NEET score:** Must qualify in the NEET exam as it is mandatory for Indian students.
- **Age:** Must be 17 years or older by December 31, 2026, to be eligible.
- **Academics:** Completion of 10+2 education with Physics, Chemistry, and Biology as main subjects.
- **Minimum marks:** Specific minimum marks in 10+2 may be required; check the university's official website.
- **Qualifying exams:** No additional entrance test is required besides NEET for admission.
- **Migration Certificate:** Required from the previous educational institute for confirming student migration.

## HOW TO APPLY

Intake: September.

1. Step 1: Qualify for the NEET exam as it is mandatory for Indian students seeking MBBS admission in Russia.
2. Step 2: Research the MBBS program and curriculum offered at First Moscow State Medical University (FMSMU).
3. Step 3: Prepare all required documents, including academic transcripts, NEET scorecard, and migration certificate.

4. Step 4: Apply online through the university's official website or authorized admission partners.
5. Step 5: Await the offer letter from FMSSMU after the initial screening of your application.
6. Step 6: Pay the initial admission fees to confirm your seat at the university.

## DOCUMENTS REQUIRED

- Valid passport
- 10th & 12th marksheets
- NEET scorecard
- Birth certificate (English)
- Medical fitness & HIV test report
- Passport-size photographs (white background)
- 6-month bank statement of parent/guardian
- No-Objection Certificate
