WHO Listed

ABOUT THE UNIVERSITY

Historical Foundation and Institutional Mission Naryn State University was established on May 22, 1996, by presidential decree of the first President of the Kyrgyz Republic. Founded in the mountainous region of Naryn along the historic Great Silk Road, the university was created to serve as a center for high-quality multilevel education in Central Asia. The institution's primary mission focuses on training highly qualified and competitive specialists who contribute to raising the intellectual, scientific, and economic potential of the Naryn region. Since its inception, Naryn State University has functioned as a public higher education institution dedicated to providing structured academic programs that meet both regional needs and international...
