ABOUT THE UNIVERSITY

University Overview Newcastle University Medicine Malaysia represents a significant milestone in transnational medical education, operating as the international branch campus of Newcastle University UK. Established in 2011 and located in Iskandar Puteri, Johor, this institution delivers British medical education standards within Malaysia's EduCity development. The university occupies a strategic position at 1, Jalan Sarjana 1, Kota Ilmu, Educity@Iskandar, 79200 Iskandar Puteri, providing students with access to modern facilities while maintaining direct academic ties to its parent institution in Newcastle upon Tyne, England. Historical Background and Institutional Standing The parent Newcastle University traces its origins to 1834, when the School...
