## ABOUT THE UNIVERSITY

Nicolaus Copernicus University Collegium Medicum: A Premier Destination for Medical Education History and Establishment Nicolaus Copernicus University Collegium Medicum, established in 1945, is a public medical faculty affiliated with Nicolaus Copernicus University (NCU) in Poland. Located in Bydgoszcz at ul. Jagiellońska 13-15, 85-067 Bydgoszcz, it forms part of a larger university system with its main campus in Toruń, the birthplace of the known astronomer Nicolaus Copernicus. The university is named after him, reflecting its commitment to scientific excellence. Over its 81-year history, Collegium Medicum has evolved into a hub for medical education, offering programs aligned with European Union (EU) standards and global accreditation...
