WHY CHOOSE NORTHERN MINDANAO COLLEGE OF MEDICINE

- **Affordable Tuition:** Tuition fees in the Philippines are significantly lower than private medical colleges in India, with an average annual tuition of around USD 3,500...
- **English Medium Instruction:** The Philippines is one of the largest English-speaking countries in the region, ensuring a smooth transition for Indian students and...
- **NMC Recognized Colleges:** Many medical colleges in the Philippines are recognized by the National Medical Commission (NMC) of India, allowing graduates to practice in...
- **WHO Accreditation:** Numerous medical colleges in the Philippines are listed with the World Health Organization (WHO), ensuring global recognition of the degree and...
- **US-Based Curriculum:** Medical colleges in the Philippines follow an American-based curriculum, focusing on a learning-outcome approach that prepares students for...
- **No Donation or Capitation Fees:** Unlike some private medical colleges in India, most medical colleges in the Philippines do not require any donation or capitation fees,...
- **Clinical Exposure:** The MBBS program includes clinical rotations in affiliated hospitals, providing hands-on experience and practical training under the supervision of...

CAMPUS & FACILITIES

- Modern lecture halls equipped with audio-visual aids for effective learning.
- Well-equipped laboratories for pre-clinical and clinical subjects, ensuring hands-on experience.
- A digital library providing access to a vast collection of e-books and online journals.
- Clinical training centers with modern equipment to enhance practical skills.
- Simulation labs for practicing medical procedures in a safe environment.
- Dedicated research facilities to promote medical research and innovation.
- Comfortable hostel facilities for students, ensuring a safe and conducive living environment.

ELIGIBILITY

- **NEET score:** Must qualify NEET as per NMC guidelines for the 2026 intake.
- **Age:** Minimum 17 years of age as of December 31, 2026.
- **Academics:** Completion of 10+2 or equivalent with Physics, Chemistry, and Biology as core subjects.

- **Minimum Marks:** A minimum aggregate of 50% marks in Physics, Chemistry, and Biology in 10+2.
- **English Proficiency:** Since the medium of instruction is English, a basic understanding is expected.
- **Application Deadline:** Submit the application before December 2025 for the 2026 intake.
