WHO Listed

ABOUT THE UNIVERSITY

Historical Foundation and Institutional Profile Novosibirsk State University was established in 1958, making it 68 years old as of 2026. Founded by the Russian Academy of Sciences in the scientific heart of Siberia, the university began with just 460 students and has grown into a premier institution hosting over 8,000 students from more than 60 countries. Located at Krasnyy Prospekt, 52, in Novosibirsk—the unofficial capital of Siberia and Russia's third-largest city—the university serves as the educational anchor of the Siberian Federal District and the Novosibirsk Oblast. The institution holds the distinction of being government-funded, ensuring stable educational standards and subsidized facilities. Novosibirsk State University ranks 4th among...

WHY CHOOSE NOVOSIBIRSK NURSING COLLEGE

- **Established Legacy:** Founded in 1958, Novosibirsk State University (NSU) has 68 years of experience in providing quality medical education.
- **Globally Recognized:** NSU's MBBS degree is recognized by the National Medical Commission (NMC) and the World Health Organization (WHO), ensuring global acceptance.
- **Affordable Fees:** The total MBBS fees at NSU for the 2026 session is ₹34,68,000, including tuition and hostel, making it a cost-effective option.
- **English Medium:** The MBBS program is taught in English, removing language barriers for Indian students and facilitating easier learning.
- **NEET Requirement:** Admission requires NEET qualification from 2024, 2025, or 2026, ensuring that admitted students meet Indian standards.
- **Simple Admission:** NSU offers a straightforward admission process where students submit scans of their 12th mark sheets, passport, and NEET qualification.
- **Research Focus:** NSU has more than 140 research labs and 37 research institutes, providing ample opportunities for students to engage in medical research.

CAMPUS & FACILITIES

- Modern classrooms equipped with audio-visual aids for effective learning.
- Well-equipped laboratories for practical training in various medical disciplines.
- A digital library with access to a vast collection of e-books and journals.
- Fully furnished hostel accommodations with 24/7 security and CCTV surveillance.
- High-speed Wi-Fi access across the campus and hostel for seamless connectivity.
- Sports complex with facilities for various sports activities and recreation.
- Indian food available in the canteen to cater to the dietary needs of Indian students.

ELIGIBILITY

- **NEET score:** Must qualify in NEET 2026, 2025, or 2024.
- **12th/Inter:** Minimum 50% in PCB (Physics, Chemistry, Biology) for general category.
- **Reserved Category:** Minimum 40% in PCB in 12th/Inter/Equivalent.

- Age: 17 years or older as of December 31, 2026 (general guideline).
- Passport: Valid passport is required for application.
- Medical Certificate: Required from a recognized medical institute.

HOW TO APPLY

Intake: September.

1. Step 1: Ensure you meet the eligibility criteria: 50% in 12th (PCB) for general category and NEET qualification (2026/2025/2024).
2. Step 2: Prepare scanned copies of required documents: 12th mark sheets, passport, and NEET qualification certificate.
3. Step 3: Submit the scanned documents to the university or an authorized admission partner like MBBS Experts based in Delhi.
4. Step 4: Await confirmation from the university regarding the acceptance of your application.
5. Step 5: Upon acceptance, you will receive an admission letter from Novosibirsk State University.
6. Step 6: Pay the initial admission and processing fees as specified by the university. Check current exchange rates before payment.
