ABOUT THE UNIVERSITY

University Overview: Novosibirsk State Medical University Novosibirsk State Medical University , also recognized for its specialized Faculty of Pediatrics, is one of Russia's prominent government-funded medical institutions. Located at Krasnyy Prospekt, 52, in Novosibirsk—the unofficial capital of Siberia and Russia's third-largest city after Moscow—this university has cultivated a strong reputation for medical excellence since its establishment in 1958 . Founded by the Russian Academy of Sciences, the institution began with just 460 students and has grown exponentially to accommodate more than 8,000 students from diverse nationalities, including a significant contingent from India. Historical Foundation and Evolution The university was established...
