WHO Listed

ABOUT THE UNIVERSITY

Introduction and Historical Legacy Omsk State Medical University (OSMU) traces its origins to 1920, when it was established as the Medical Faculty of the Siberian Institute of Veterinary Medicine and Zoology. Over the past 106 years, the institution has undergone significant transformations, reflecting its evolution into one of Russia's premier medical education providers. In 1921, it became the West Siberian State Medical Institute, followed by a renaming to Omsk State Medical Institute in 1925. The institution earned academy status in 1994 as the Omsk State Medical Academy, and finally achieved university status in 2015, solidifying its position as a comprehensive medical university. Located in Omsk city in the eastern region of Russia, the...
