WHY CHOOSE ORAL MEDICAL COLLEGE

- **Legacy:** Benefit from studying at a medical institution with a rich history and legacy in South India, providing a strong foundation for your medical career.
- **NMC Recognition:** Ensure your degree is recognized in India by choosing a university recognized by the National Medical Commission (NMC).
- **Clinical Exposure:** Gain unparalleled clinical experience through affiliations with multiple hospitals, exposing you to a high volume and variety of cases.
- **Student-Led Events:** Develop soft skills and leadership qualities by participating in student-organized events, including the prestigious OSMECON conference.
- **Comprehensive Education:** Receive a well-rounded education in MBBS, MD/MS, Super-Specialty, and Allied Health Sciences.
- **Modern Facilities:** Access modern technology, well-established laboratories, and advanced medical research facilities to enhance your learning experience.
- **Experienced Faculty:** Learn from a large faculty, including senior and junior residents, providing diverse perspectives and mentorship opportunities.

CAMPUS & FACILITIES

- Modern classrooms equipped with audio-visual aids for interactive learning.
- Well-equipped laboratories for practical training in various medical disciplines.
- A digital library with access to a vast collection of e-books and online journals.
- Separate hostels for boys and girls with comfortable living spaces.
- A cafeteria serving nutritious meals catering to diverse dietary preferences.
- Sports facilities including a playground and indoor games for recreation.
- A dedicated student support center providing academic and personal counseling.

ELIGIBILITY

- **NEET score:** Must qualify in NEET-UG 2026 with the required percentile.
- **Age:** Must be 17 years or older as of December 31, 2026.
- **Academic Qualification:** 50% aggregate in 10+2 with Physics, Chemistry, and Biology for general category.

- Reserved Categories: 40% aggregate in 10+2 with PCB subjects for reserved category candidates.
- Passport: Valid passport is required for international travel.
- Visa: Indian students need to obtain a student visa for the country of study.

HOW TO APPLY

Intake: September.

1. Step 1: NEET Qualification: Qualify for the NEET-UG 2026 entrance exam, which is mandatory for all medical admissions in India and abroad.
2. Step 2: Application Submission: Submit the application form to Bangladesh Medical College (BMC) with all required documents.
3. Step 3: Document Verification: Ensure all submitted documents, including passport, visa, and academic transcripts, are verified for authenticity.
4. Step 4: Eligibility Check: Confirm that you meet the eligibility criteria, including minimum marks in 10+2 with Physics, Chemistry, and Biology.
5. Step 5: NEET Scorecard: Provide a valid NEET scorecard as proof of eligibility for MBBS admission.
6. Step 6: Medical Fitness Certificate: Obtain a medical fitness certificate to confirm you are physically and mentally fit for medical studies.
