## ABOUT THE UNIVERSITY

Introduction and Historical Legacy Orel State University, officially known as Orel State University named after I.S. Turgenev, is one of Russia's oldest and most respected government medical institutions. Established in 1931 as an industrial-pedagogical institute, the university underwent a significant transformation on September 11, 1996, when it was renamed to its current designation. This institution holds the distinctive honor of being the sole university in Russia that is a member of the Association of Classical Universities of the Russian Federation—a recognition that underscores its commitment to traditional academic excellence combined with modern medical education. Located in the historic city of Oryol (Orel), approximately 325 kilometers...
