ABOUT THE UNIVERSITY

Historical Foundation and Institutional Profile Orel State University, named after I.S. Turgenev, traces its origins to 1931 when it was established as an Institute of Industrial-Pedagogical. On September 11, 1996, the institution underwent a significant transformation and was renamed Orel State University, becoming the sole classical university in Orel and a member of the Association of Classical Universities of the Russian Federation. Located approximately 325 kilometers southwest of Moscow in the historic city of Oryol, this government-funded public institution has evolved into a prominent center for medical education over its nine-decade history. The university currently enrolls more than 18,000 students, including a diverse international...
