## ABOUT THE UNIVERSITY

**Introduction and Institutional Profile** Osh State Medical University is one of Central Asia's established centers for medical education, located in Osh city—the capital of Osh state in Kyrgyzstan. Founded in 1951, the institution traces its origins to the Osh Pedagogical Institute established in 1939, receiving full university status in 1992. Currently, the university holds a national ranking of 7 within Kyrgyzstan and a global ranking of 9610, reflecting its position among recognized medical institutions in the region. **Historical Evolution and Academic Mission** The university's development spans over eight decades, beginning as the Osh Pedagogical Institute in 1939 before establishing its medical faculty in 1951. The transformation to Osh State...
