- **Library:** Access to learning resources for medical studies.

ELIGIBILITY

- NEET score: Must qualify in the NEET exam for Indian students.
- Age: Minimum 17 years old as of December 31, 2026.
- Academics: Minimum 50% aggregate in Physics, Chemistry, and Biology.
- Education: Completed higher secondary education or equivalent.
- Passport: A scanned copy of your passport is required for application.
- Application: Complete the application form accurately.

HOW TO APPLY

Intake: September.

1. Step 1: Complete the application form with accurate details. Ensure all fields are filled precisely to avoid delays in processing for the 2026 intake.
2. Step 2: Attach scanned copies of required documents. This includes your higher secondary education mark sheet and NEET score card for verification.
3. Step 3: Provide a scanned copy of your passport. This is essential for international student verification and visa processing for studying in 2026.
4. Step 4: Await a provisional admission letter. Upon acceptance and fulfilling all conditions, the university will issue this document electronically.
5. Step 5: Prepare for potential interviews or assessments. The university may conduct these to further evaluate candidates before final admission.
6. Step 6: Secure your student visa. After receiving the admission letter, begin the visa application process for the Philippines.

DOCUMENTS REQUIRED

- Valid passport
- 10th & 12th marksheets
- NEET scorecard
- Birth certificate (English)
- Medical fitness & HIV test report
- Passport-size photographs (white background)
- 6-month bank statement of parent/guardian
- No-Objection Certificate
