

Pamukkale University Faculty of Medicine

Denizli, Turkey • Established 1992 • Government

ABOUT THE UNIVERSITY

Pamukkale University Faculty of Medicine: An Overview Pamukkale University, established in 1992 in Denizli, Turkey, is a public university with a rich educational heritage rooted in the region since 1957. Originally founded as a Female Normal School, it evolved into an Education Institute in 1976 and later became part of Dokuz Eylül University as Denizli Education College in 1982. Today, the university hosts over 31,174 students, supported by 1,417 academic staff across its 7 faculties, 3 institutes, and 13 research centers. The Faculty of Medicine, a key component of this institution, combines modern medical education with Turkey's cultural and historical richness, making it an attractive destination for Indian students seeking MBBS abroad. ---...
