## ABOUT THE UNIVERSITY

University Overview: Suez Canal University Faculty of Medicine Historical Background Suez Canal University Faculty of Medicine, located in Ismailia, Egypt, was established in 1976 as part of Suez Canal University (SCU). Initially designed to serve the educational needs of the Suez Canal and Sinai regions, SCU has grown into a multidisciplinary institution with 18 faculties, including medicine, engineering, and marine sciences. The Faculty of Medicine itself began offering its 6-year MBBS program in 1981, aligning with global standards in medical education. As a public university, SCU is government-funded and plays a role in Egypt's higher education system, particularly in regions near the strategic Suez Canal. Academic Reputation and...
