WHO Listed

ABOUT THE UNIVERSITY

University Overview: Wenzhou Medical University (WMU), located in Wenzhou City, Zhejiang Province, China, is a well-established public medical institution with a legacy that traces back to 1912. Originally founded as Zhejiang Medical School in Hangzhou, the university eventually evolved and was officially renamed Wenzhou Medical University in 2013. Since then, it has grown into one of China's prominent medical universities, particularly known for its English-medium MBBS program catering to international students, including a significant number from India. The university operates under the Zhejiang Provincial Government and is officially recognized by the Department of Education of Zhejiang Province. With over a century of...
